WELCOME MESSAGE

Dear Colleagues:

It is my pleasure to inform you of the very fine team of distinguished academics and legal practitioners we have assembled to make presentations at the forthcoming Caribbean Commercial Law Workshop, to be held at the Loews Miami Beach Hotel in South Beach, Florida, on August 16th to 18th, 2009.

On the very first Panel: "Drafting the International Agreement: Jurisdiction and Choice of Law", we have Professor Janet Walker of Osgoode Hall Law School, Toronto, Canada; Mr. Jeffrey Elkinson of Conyers Dill & Pearman of Bermuda; and Mr. Andrew Stephenson of Holland & Knight LLP, Washington, D.C. Our Senior Counsel, Dr. Trevor Carmichael, QC, of Chancery Chambers, Barbados, will serve as Moderator/Commentator.

On the second Panel: "Enforcement of Foreign Judgments and Arbitral Awards in Contractual Disputes", are Professor Winston Anderson of the Faculty of Law, UWI; Mr. Frank Walwyn of WeirFoulds LLP, Toronto, Canada; and Mr. Dave Kissoon of Cozen O'Connor, New York. Mr. Mark Brantley of Daniel, Brantley & Associates, Nevis, will serve as Moderator/Commentator.

Then there is the Latin American Panel of Mr. Giancarlo Angelucci of LEXINCORP, El Salvador, and Mr. Gonzalo Biggs of Figueroa, Valenzuela y Cía, Santiago, Chile, to present on "Drafting the International Agreement and the Enforcement of Foreign Judgments: The Latin American Experience". Professor Emeritus A. R. Carnegie will serve as Moderator/Commentator.

Finally, at the close of the first day, we have the fourth Panel: "The Impact of the Global Financial Crisis on the Offshore Financial Services Industry in the Caribbean". Making presentations on this

Panel are: Mr. Bruce Zagaris of Berliner Corcoran & Rowe LLP of Washington, DC; Ms. Renata Emery of Alberto de Orleans e Braganca of Rio de Janeiro, Brazil; and Mr. David Spencer of Tax Justice Network, New York.

Then, on the morning of the second day, Mr. Peter Darrow of Mayer Brown LLP, New York, will present on "The Impact of the Global Crisis on the Financing of Major Projects in the Caribbean". He will be followed by a Panel on "Infrastructure Renewal and Development in the Caribbean", by Bradley McLellan and Daniel Ferguson of WeirFoulds LLP, Canada.

This will conclude what I am hoping will be as exciting, stimulating and productive a Workshop as we have ever had.

Looking forward to greeting you at the cocktail reception on Sunday, August 16th, at the Loews Hotel in South Beach, Florida.

Kind regards,

Simeon McIntosh

MAYER • BROWN

Mayer Brown is a leading global law firm with offices in key business centers across the Americas, Asia and Europe. We have approximately 1,000 lawyers in the Americas, 300 in Asia and 500 in Europe. This unequalled on-the-ground presence in the world's leading markets for legal services enables Mayer Brown to offer clients access to local market expertise on a global basis. The Firm's banking and corporate finance clients currently include 30 of the world's 100 largest banks, a large number of securities issuers active in the U.S. and international securities markets, and U.S. and foreign investment banks active in international securities offerings and cross-border financing.

Mayer Brown's Caribbean and Central American transaction expertise encompasses debt restructuring, capital markets financing (including U.S. private placements and Rule 144A/Regulation S bond offerings), infrastructure and project financing, acquisition and real estate financing, and securitization financing.

In order to service the specialized needs of corporate clients and financial institutions in connection with their Caribbean and Central American activities, Mayer Brown has established a group of partners and associates who are highly experienced in securities, corporate and financing transactions, and who have experience in transactions originating in the region.

Thomson Reuters is the world's leading source of intelligent information for businesses and professionals.

We combine industry expertise with innovative technology to deliver critical information to leading decision makers in the financial, legal, tax and accounting, scientific, healthcare and media markets, powered by the world's most trusted news organization.
