

## WeirFoulds is Proud to Support Flip Your Wig for Justice as a Premier Partner

March 2, 2016

WeirFoulds is proud to continue as a Premier Partner of Flip Your Wig for Justice. Flip Your Wig for Justice is a pledge-based fundraiser, and an awareness-raising campaign in support of five non-profit, access to justice-serving organizations in Ontario.

The Canadian Civil Liberties Association (CCLA), Community Legal Education Ontario (CLEO), METRAC: Action on Violence (METRAC), Ontario Justice Education Network (OJEN), and Pro Bono Students Canada (PBSC) are committed to improving access to justice in Ontario. Through Flip Your Wig for Justice, these organizations are able to continue a dialogue about Canada's access to justice crisis, while raising funds to provide resources and access to legal support in Ontario. Those that support Flip Your Wig for Justice understand that the legal profession has a responsibility to contribute to the solution.

WeirFoulds has had a long and successful relationship with Flip Your Wig for Justice.
