

WeirFoulds Proud to Sponsor TieQuest 2016 Competition for Entrepreneurs

April 6, 2016

WeirFoulds is proud to be a sponsor of TieQuest, an annual business venture competition with a mission to connect entrepreneurs with the investment community. This year's TieQuest will be held on April 21, 2016, with over 200 entrepreneurs expected to participate from every major city in North America.

TieQuest was started in 2005 by the Toronto chapter of TiE Global, an international network of over 15,000 entrepreneurs with 61 chapters across 15 countries. The competition is designed to go through multiple stages to help polish the business idea and promote networking opportunities. The judging criteria include value proposition, marketability, viability, management strengths and investability. TieQuest is highly regarded for its competition stage process and its pool of highly respected and experienced mentors and judges.

Raj Dewan, corporate partner at WeirFoulds, sits on the board of directors of TiE Toronto. Raj is also a mentor and legal advisor to the Toronto Chapter of the Founder Institute.

Sponsorship of TieQuest reflects WeirFoulds' commitment to working with owner-operators and entrepreneurs in high-growth markets to support their business objectives.
