

WeirFoulds welcomes Partner Raj Kehar to its Municipal, Planning and Land Development Group

July 23, 2019

WeirFoulds is pleased to announce that Raj Kehar has joined the firm as a partner in our Municipal, Planning & Land Development Practice Group. Raj represents both public and private sector clients on all aspects of land use planning and development law.

He provides strategic advice, opines on land use planning and development issues and has experience negotiating and drafting various land development agreements. Raj regularly appears before the Local Planning Appeal Tribunal, the Toronto Local Appeal Body and municipal committees and councils.

“Raj helps his clients navigate the land development process in an easy and efficient way”, says [Wayne Egan](#), Managing Partner. “His public and private sector experience allows him to bring both perspectives to his clients’ work, and we are excited for him to bring that unique positioning to our team, as well.”

Prior to joining WeirFoulds, Raj practised at a boutique municipal, planning and development law firm. He was also formerly in-house counsel on land use planning and development matters with a major Greater Toronto Area municipality.

WeirFoulds has one of the pre-eminent land use planning practices in Ontario and we are happy to welcome Raj to this highly skilled Group.

Raj can be reached at 416.947.5051, rkehar@weirfoulds.com or on [LinkedIn](#).
