August 7, 2019

WeirFoulds is pleased to welcome back four of our former articling students as associates. Paul Conrod, Satnam Dosanjh, Talia Rotman and Alvin Yau also summered with the firm before their articles. They join WeirFoulds in the following practice groups:

Paul Conrod – Construction

Paul represents owners, developers, contractors, subcontractors, and design professionals on files relating to a variety of construction law issues including liens, negligence, breach of contract and delay.

Satnam Dosanjh – Private Equity

Satnam's practice is focused on private equity and general corporate commercial matters. He also assists the firm's Cannabis Group on the financing and licensing aspects of cannabis law.

Talia Rotman – Real Estate

Talia's practice focuses on all aspects of commercial real estate including the acquisition, sale, financing and development of land.

Alvin Yau – Private Equity

Alvin's practice is focused on corporate reorganizations, asset-backed lending transactions, shareholder disputes, and tax disputes.

We are excited to welcome each of them back to take the next step in their legal careers. At WeirFoulds we look to hire the future of our firm and lawyers who can provide the highest level of service to our clients.
