

## WeirFoulds represents Antibe Therapeutics in \$28.75M bought deal public offering

June 30, 2020

On June 30, 2020, [Antibe Therapeutics Inc.](#) ("Antibe") (TSXV: ATE) announced that it closed its previously announced bought deal public offering of units (the "Units") raising aggregate gross proceeds of \$28,750,000 (the "Offering"). Each Unit was comprised of one common share and one-third of one common share purchase warrant.

Antibe was represented by WeirFoulds, with a team consisting of Rob Eberschlag, David Knight, Conor Dooley, Aashima Singh, Alvin Yau, Ryan Morris and Ann Lattanzio.

Antibe develops safer, non-addictive medicines for pain and inflammation. Its technology involves linking a hydrogen sulfide-releasing molecule to an existing drug to produce a patented, improved medicine. The Company intends to use the net proceeds of the Offering to fund certain activities required to support large market partnering and begin the Phase 3 program for ATB-346, for business development activities, for advancing the other drugs in the Company's pipeline including ATB-352, as well as working capital and general corporate purposes.

WeirFoulds is pleased to have assisted Antibe in the closing of their largest financing to date.
