

## Control beyond the grave: The use of testamentary trusts in estate planning

November 3, 2020

By Cecile Ko Brock, Lori Duffy

Testamentary trusts are trusts that arise on and as a consequence of the death of a person, and are powerful tools if you wish to maintain a degree of control after death on how the trust funds are to be administered, when they can be paid and on what conditions. With the right trustees at the helm, testamentary trusts can facilitate long-term inheritance protection and management so that your beneficiaries have what they need at appropriate times. In this article, we discuss several types of testamentary trusts that can be customized as part of your estate plan.
