

Kayla Theeuwen speaks to *The Globe and Mail* about COVID-19 and the legal profession

November 17, 2022

Partner Kayla Theeuwen was sought out for an interview by *The Globe and Mail* about the impact of COVID-19 on the legal industry. Portions of the interview are published in the newspaper's monthly [Report on Business Magazine](#).

The article addresses how the profession adapted to a predominately virtual landscape, which aspects of the profession are returning to normal, and which other aspects might never be the same again.

Among other things, Kayla, Chair of the WeirFoulds Caribbean Practice Group, provided insight into how 2022 allowed the Group to host its marquee Annual Caribbean Fête after a two-year COVID-induced hiatus, and how guests of the event were overwhelmingly receptive to a return to socializing after such an extended period of distancing.
