WeirFoulds is pleased to welcome two associates to the firm in the following practice areas:

Mark Dzurman – Construction

Mark Dzurman is an associate in our Construction Practice Group whose practice encompasses all areas of construction law. Prior to joining WeirFoulds Mark worked as an associate at a boutique law firm based in Toronto, handling client matters that came to the firm's Litigation, Corporate and Commercial, and Employment Law teams.

Mark received his J.D. from the University of Toronto's Faculty of Law, during which time he frequently volunteered his time as a caseworker with Pro Bono Students Canada, an award-winning organization with 22 chapters in law schools across the country.

Jonah Waxman – Wills, Trusts & Estates

Jonah Waxman is an associate in our Wills, Trusts & Estates Practice Group. Prior to joining WeirFoulds Jonah practised at a law firm that served clients throughout Peel, Southern Ontario and the Greater Toronto Area, where he dealt with a diverse range of litigation matters, including guardianship and estate disputes, oppression claims, aborted real estate transactions and solicitor-client assessments.

Jonah has shared his litigation expertise with the wider legal community, conducting mock trial demonstrations and presiding over advocacy seminars arranged by the Canadian Bar Association, Ontario Bar Association and the Ontario Trial Lawyers Association. Jonah received his J.D. from the University of Windsor's Faculty of Law.

We are excited to have Mark and Jonah join our growing team of lawyers!
