April 5, 2023

We're pleased to announce that Partner Daniel Wong was recently appointed as the co-chair of the Labor & Employment Committee at the [National Asian Pacific American Bar Association](#) (NAPABA).

NAPABA is the largest Asian Pacific American membership organization in the United States, and represents the interest of 60,000 attorneys, judges, law professors and law students. The organization works to promote justice, equity and opportunity for Asian Pacific Americans in the legal community, in addition to fostering professional development, legal scholarship, advocacy and community involvement.

Daniel is the Chair of WeirFoulds' [Employment & Labour Practice Group](#), with a practice focused primarily on employment and labour relations. He frequently advises employers on all matters including executive compensation, employee hiring and terminations, employment standards compliance, unfair practice and human rights complaints, employee privacy issues and the development and execution of initiatives and policies.

"I'm grateful for the opportunity to serve NAPABA members as co-chair of the Labor & Employment Committee as NAPABA continues their important mission of empowering Asian and Pacific Islander attorneys in the United States and throughout North America," said Daniel Wong. "I look forward to engaging with members of the legal community throughout the coming bar year."

We wish Daniel the best of luck in this important role.
