April 17, 2023

Partner Lucy Main and Associate Lori Isaj, members of WeirFoulds' Wills, Trusts & Estates Practice Group, were recently published in the Spring 2023 edition of *Your Guide to Charitable Giving & Estate Planning*.

Their article, "Accomplishing your philanthropic goals: Private Foundations and Donor Advised Funds", addresses the various vehicles and income tax benefits that are available to Canadians who intend to make charitable gifts. The article includes a review of the characteristics of private foundations and donor advised funds, in addition to considerations for charitable giving that is done through both.

Members of the WeirFoulds Wills, Trusts & Estates practice Group have been proud contributors to the biannually published guide since the Spring 2018 edition. [Lucy and Lori were most recently published in the Fall 2022 edition](#), where the pair discussed when and how to update a will and powers of attorney.
