

Five WeirFoulds lawyers recognized in 2024 *Lexpert Special Edition: Infrastructure*

May 13, 2024

Congratulations to our five partners who have been recognized in the 2024 *Lexpert Special Edition: Infrastructure*. The special edition features Lexpert-ranked lawyers who assist with infrastructure projects in Canada and abroad. The list includes lawyers who were ranked in the *Canadian Legal Lexpert Directory 2024* in Construction Law, Infrastructure Law, and Transportation (Road & Rail), as well as lawyers who have worked on infrastructure-related projects in other practice areas.

Our listed lawyers include:

- Glenn W. Ackerley
- Sandra Astolfo
- Lisa A. Borsook
- Krista R. Chaytor
- Michael R. Swartz

The [Infrastructure/P3 Practice Group](#) at WeirFoulds has an extensive history of supporting major infrastructure projects in Ontario. We partner with our clients using cross-disciplinary skills, including land use planning, expropriation, construction, leasing, commercial law, energy, environmental law and project finance to advance such projects through to their successful conclusion.

The *Lexpert Special Edition: Infrastructure* is the product of an extensive peer survey process. It is produced in partnership with the Canadian Council for Public-Private Partnerships (CCPPP) and was published digitally on May 13, 2024.
