

WeirFoulds is proud to support United Way Greater Toronto through 2025 fundraising campaign

December 9, 2025

WeirFoulds is proud to have wrapped up its 2025 fundraising campaign in support of [United Way Greater Toronto](#). This annual initiative is driven by our dedicated United Way Committee, whose creative events and firm-wide engagement help raise funds for the vital community programs United Way makes possible. Over the course of the two-week campaign, WeirFoulds raised over \$85,000 in support of the United Way's efforts.

United Way plays a critical role in addressing local poverty by supporting frontline agencies, strengthening neighbourhoods, and helping people access the resources they need to build stable, thriving lives. WeirFoulds is pleased to continue contributing to this mission and to the organization's work in building stronger, more connected communities.

This year's campaign brought colleagues together through a full lineup of events, including bingo sessions, a casino tournament, a food challenge contest, and a spirited "Family Feud"-style competition. Our firm also took part once again in United Way's signature CN Tower Climb, where a group of determined lawyers and staff conquered all 1,776 steps.

We extend our sincere thanks to our United Way Committee and to the many volunteers who helped make this year's campaign a success. We also thank everyone who contributed, participated, or donated prizes in support of United Way's work.

We look forward to next year's campaign and commend United Way Greater Toronto for its continued impact in communities across the region.
