From complex forms and documents to tax and other commercial issues, the registration process of dealers and advisors comes with a variety of risks and challenges.

WeirFoulds makes the process easy through our “Registration Services Program” – a fixed fee solution designed to navigate the process in an efficient, cost effective and creative manner.

We are pleased to offer registration services for all categories of registration in Canada.

To learn more about the program, please [download the brochure](#) and [contact Ann Lattanzio](#), Compliance and Registrant Regulation Specialist, directly.
