

WeirFoulds Partner Recognized as Leading Lawyer in 2018 Lexpert Special Edition – Energy

September 11, 2018

WeirFoulds is pleased to announce that Partner, Robert Warren, is listed in the 2018 *Lexpert® Special Edition – Energy*, as a leading lawyer in the category.

Robert is one of the province's most experienced energy regulation lawyers and has appeared as counsel in many major Ontario Energy Board proceedings. Robert practices in the field of public law advocacy, specializing in energy and environmental law.

Over the past few years he has advised clients in both the public and private sectors on a wide array of energy issues, including the governance of municipally-owned distribution utilities, the impact of distributed energy resources on the operation of distribution utilities, and the response to provincial climate change initiatives.

The *Lexpert® Special Edition – Energy* is the product of an extensive peer survey process and profiles Lexpert-ranked lawyers who provide services to the Energy sector, including Oil and Gas, Electricity, Alternative and Nuclear Energy.

WeirFoulds congratulates Robert on this prestigious recognition.

The Special Edition has been published in the September edition of the Report on Business magazine in The Globe & Mail and can be viewed online [here](#).
