Robert Eisenberg is a commercial leasing lawyer who excels at identifying potential landmines and devising clear, creative, and proactive solutions.

He is valued for his clear and to-the-point communication style and his ability to cut through the noise and focus on the issues that really matter to his clients to help them get the deal done.

Robert acts for landlords and tenants across Canada in all commercial asset classes (retail, industrial, office, and infrastructure). He also has specialized experience in dealing with complicated leasing structures including mixed-use developments, ground leasing, energy projects, airport hangars, build-to-suits, and aggregate extraction.

Robert is recognized in the Canadian commercial leasing bar as a leader. He was included as one of the *Best Lawyers in Canada* in Commercial Leasing Law (2026) after having previously being named as “One to Watch”. He currently serves on the ICSC Canadian Legal Conference’s Executive Planning Committee (and served as Chair for the 2025 conference) and on the Ontario Bar Association’s Real Property Law Section Executive. Robert is also a frequent speaker, having been repeatedly invited to speak at the Law Society of Ontario’s Eight Minute Commercial Leasing Lawyer series, The Buildings Show, and PM Springfest.
